#### My free time

My name is Helen Anderson. I am 13. There are 5 people in our family. Our mum is a teacher, our dad works for a big airplane company, my older brother, Bob, is at college in California, our granny is 65. We live in Big Harbor, a small town by the sea.

Every day I go to school. I get up early, do homework, have piano lessons twice a week. I like to do something different on weekends. I like to relax. I watch TV or videos. If it rains, I prefer indoor activities: to read books or newspapers, to play chess or table tennis, to draw, to write some letters, to clean the house, to listen to music.

In winter I like to watch Winter Olympics on TV. I like to watch ski jumping, hockey and figure skating. I ski and skate. My brother plays ice hockey.

As for my mother, she likes knitting and sewing. She takes aerobics class on Sundays. In spring and in summer we prefer outdoor activities. My mother likes gardening. I ride a bike, play volleyball and badminton. My father goes swimming and fishing. My brother travels a lot. His hobby is photography. Of all sports games I like tennis. But I am not a good tennis player. In autumn I like to go to the cinema, to the theatre, to the library.
